PETITION

TO THE HONOURABLE THE PRESIDENT AND MEMBERS OF THE

LEGISLATIVE COUNCIL OF NEW SOUTH WALES

The Petition of certain citizens of New South Wales who state in the strongest possible terms that it is a fundamental human right for every child to be raised by both a mother and a father. It is noted that the laws of this state governing the adoption of children have always recognized this fundamental human right. It is further noted that some individuals and organisations are demanding that New South Wales' adoption laws be changed to permit homosexual couples to adopt children.

Your petitioners request that the Parliament reject any proposed legislation or amendments to adoption laws that would take away the fundamental human right of adopted children to be raised by a mother and a father.
