PETITION

TO THE HONOURABLE THE PRESIDENT AND MEMBERS OF THE LEGISLATIVE COUNCIL OF NEW SOUTH WALES

The Petition of certain citizens of New South Wales who state that the New South Wales Government's plan to introduce Ethics classes at the same time as Special Religious Education (SRE) classes places the new curriculum in direct competition with SRE so that students will be forced to choose between them. We wish to affirm the value of an education in Scripture. Your petitioners request that the House call on the Government to ensure the planned Ethics classes are offered at a separate time from SRE.
